I am writing to inform you in response to your request for public data of 19th July 2006 of the following:

The CM(55)15(Final) document was superceded by the “Security within the North Atlantic Treaty Organisation (NATO)” C-M(2002)49 document on the 17th June 2002, and at the same time it was ordered that this document along with all of its previous versions should be destroyed immediately, and it is for this reason that I cannot send it to you.

According to the decision of 2004 by the North Atlantic Treaty Organisation the C-M(2002)49 document (henceforth: NATO Security Regulation) can be published. The NATO Security Regulation – of which there is no Hungarian translation – I have sent you by e-mail, and I also inform you that this document can be downloaded from our website at www.nbf.hu.

Budapest, 1st August 2006
